Asst Ex. Engineer, PWD {Bldg}, Assam
7. Shri Amitabh Barthakur
Project Engineer, GMDA

Secretary, GMDA, Shri Sazzad Alam, ACS presided over the meeting and requested all members to evaluate the technical bids received for the work "Turnkey work including designing, drawings and construction of concrete silt trap with silt removal arrangement as a pilot project at river Bharalu near ASTC Central Depot".

The committee then went through all the 3 (three) bids received namely i) Shri Bhaba Kanta Nath ii) M/s Oriental Engineers iii) M/s Tech Point Engineers. On detail scrutiny and threadbare discussion a **Comparative Statement** is prepared and it is observed that no bidder have submitted any documents related to construction of concrete silt trap.

Therefore, the Bid Evaluation Committee opined to request all bidders to submit their concept design of the silt trap preferably with power point presentation on 19th January, 2017 at 3.30 P.M. before the Committee.

The meeting ended with a vote of thanks from the Chair.

Secretary, GMDA
and Chairman Bid Evaluation Committee
