No.GMDA/GEN/203/2016/100

Dated 12/09/17

**ORDER**

Whereas, it has been found that the Guwahati Building Construction (Regulation) Byelaws, 2014 does not specify any role for the Registered Technical Personnel (RTP) in the approval process of Planning Permit except for preparation of the drawing as per the Building Byelaw.

Whereas, in the present online CAD based system of processing the Planning Permit, applicants are to submit the proposals to GMDA through the consoles of the RTPs and the feedback regarding the proposals are accessible to the applicants through the consoles of RTPs.

Whereas, this has created hindrance to the citizens causing unnecessary delay in processing the proposals.

Therefore, I, Dr. M. Angamuthu, IAS, Chief Executive Officer, Guwahati Metropolitan Development Authority, in view of the above facts and circumstances, hereby, direct that the present process of submitting the proposals through the RTPs be discontinued with immediate effect. Henceforth, the applicants can submit their proposals as per required format directly to GMDA through the online facilities available at GMDA.
