

S.I. No	Page Ref	Tender Clause	Pre Bid Query	Corrections to the Bid document as per decision of Pre-bid meeting
1	4 of 68	Time of delivery – 3 months	These machines are manufactured against customer order and not sold from stock. Manufacturing lead – time is 5-6 months and transportation to India along with customs clearance and road transport to Guwahati will take 2-3 months, Hence, we would request that delivery period be extended to at least 8 months from date of agreement	6 months for items 1 (a) & (b) 3months for items 2
2	5 of 68	The manufacturer/ dealer should have a minimum average annual turnover of Rs.3 crores in the last five years	As per CVC guidelines on qualification criteria vide Circular No. 12-02-1-CTE-6 dated. 17 Dec.2002 the minimum average annual turnover requirement should be met last 3 years. You are requested to modify accordingly.	Read 3 years instead 5 years.
3	47 of 68	Component used to the machine should be in conformity to IS specification	IS specification is not valid in USA. All component and design/workmanship will be as per manufacture deign and specification that can be inspected prior to dispatch by the departmental representatives.	Also as per standard specification of the country of manufacture.
